

# KVRC Quibble Award

---

The Quibble Award is a members' award for versatility – points are earned in all disciplines and events that you take part in with your horse, whether you are placed or not. Events are not limited to KVRC competitions, teams or training, although these earn you more points! So keep a log of everything you do with your horse during the membership year (1<sup>st</sup> November to 31<sup>st</sup> October), tally up your points on this sheet and submit your entry (including your log book) – all combinations earning over 500 points receive a rosette at the AGM and placings are awarded to the top 6 combinations, with a silver salver to the winner – you have to be in it to win it!
